

# why Princess® is the best choice to see Mexico

## See Mexico With the Experts

1

We were the first cruise line to sail the Mexican Riviera in 1965, and more than 50 years later no other cruise line offers an experience quite like Princess. Choose from 7- to 10-day sailings, roundtrip from Los Angeles or San Francisco and visit hot spots south of the border like Cabo San Lucas, Puerto Vallarta, Mazatlán, and less-traveled jewels like Loreto and Manzanillo.

## Discover Ocean Medallion™ Cruising

2

Select 7-day sailings roundtrip from Los Angeles feature Ocean Medallion cruising, offering a personalized vacation like never before. Complimentary to every guest, Ocean Medallion anticipates your needs, so you have more time to relax and reconnect with those you love. Enjoy hassle-free arrival and boarding, invitations to events events and excursions based on your profile preferences, and food & drinks delivered to you poolside.

## The Fiesta Spirit Comes Aboard

3

Experience the culture and flavors of Mexico on board with Mariachi music and folkloric performances as part of our Festivals of the World Mexican Fiesta with traditional Día de los Muertos celebrations, activities and crafts. Savor iconic dishes, from fresh tacos, ceviche and mole, to margaritas, and even wine and tequila tastings of Mexico's most popular offerings.

## Relax & Rejuvenate

4

Here you'll find the perfect way to revitalize, whether lounging on the glorious beaches of the Mexican Riviera or exploring the festive coastal towns. Back on board, soak up the sun and watch a hit film alongside our freshwater pools with Movies Under the Stars®. Enjoy world-class production shows, a Vegas-style casino and live music, indulge with a luxurious treatment in the Lotus Spa® or relax with an afternoon in The Sanctuary.
